The following is an examiner's statement of reasons for allowance: The prior art does not disclose an apparatus comprising a dual-energy electron beam source that produces both a higher-energy electron beam component and a lower-energy electron beam component, a device that separates the two beam components on the basis of their respective energies, a beam separator that receives the two beam components and rejoins them, and an objective lens configured to focus the rejoined electron beam components onto an area of a specimen to be inspected.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jack I. Berman whose telephone number is (571) 272-2468. The examiner can normally be reached on M-F (8:30-6:00) with every second Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John R. Lee can be reached on (571) 272-2477. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
